GENERAL

OVER VIEW

Genericare Pharmacy, established in 2018, has emerged as India's trusted and leading Generic Medicine Franchise Company. We began our journey with our first outlet in Maharashtra and now boast over 200 outlets in the state.

Committed to delivering exceptional customer service, high-quality products, and the introduction of new molecules, we have expanded our business throughout India and internationally.

We provide generic medicines that prevent and treat diseases, making them available and affordable for everyone in India, particularly those in remote areas who are very poor.

In Maharashtra, over 500,000 people take our generic medicines on a monthly basis. Our medicines are low in cost and of the highest quality, helping to maintain better health.

We aim to make a positive impact on society by creating a portfolio of affordable medicines accessible to all.

SERVICES

Specializing in various segments of medicines including General, Cardiac –Diabetic, Neuropsychiatric, Dermatology, Ophthalmic, and Ayurvedic, we supply medicines throughout India. All our products are manufactured in WHO-GMP, GMP & GLP certified facilities, ensuring quality and safety.
